

THE PADUCAH DAILY SUN.

VOLUME 1—NUMBER 233

PADUCAH, KENTUCKY, WEDNESDAY, JUNE 9, 1897.

TEN CENTS A WEEK

WITH ALL ON BOARD.

Two Vessels Collide in Mid Ocean
and Sink.

A BATCH OF APPOINTMENTS.

The President Takes His Departure for Nashville.

A BLOODY AFFRAY AT ALBANY, KY.

London, June 9.—A French schooner which arrived here this morning reports that two steamships collided off the Lizard, and that they sank almost immediately with all on board, not a passenger or man escaping. Nothing is yet known as to the identity of the vessels or the number of souls on board. The report has caused a feeling of intense uneasiness to pervade the community, as no one knows whether the absent friends may not have been on one of the ill-fated vessels.

THE PRESIDENT

Takes His Departure At Noon
For Nashville.

Washington, June 9.—President McKinley and party, according to program, departed at noon by special train for the Tennessee Centennial at Nashville.

Before leaving the President tendered the Spanish mission to Ex-Governor Cox, of Ohio. It is not yet known whether he will accept.

En route to Nashville, the President will speak and receive at Frankfort, tomorrow evening.

No Kentucky appointments will be made until Monday. The following appointments were announced just before the departure of the President:

H. L. Wilson, Minister to Chile; A. J. Lerschman, Minister to Switzerland; J. F. Gowey, Consul to Kanawa, Japan; W. H. Powell, Minister to Hayti. This is the position for which Rev. Smith (Colored), of Owensboro, was an applicant.

TWO MEN KILLED.

In a Neighborhood Row at Albany Kentucky.

Albany, June 9.—A neighborhood quarrel here resulted this morning in a tragedy, two men losing their lives. Ed Shootman was fatally stabbed by Tom Foster, and Foster was shot to death by Eph. Abel, while in the act of cutting Shootman. There is great excitement over the affair, as all the participants were men of considerable prominence.

THE HAWAIIAN TREATY.

Failure of the Republican Caucus
to Act Causes Much Com-
ment.

Washington, June 8.—The failure of the Republican caucus today to take steps looking to the protection of the Hawaiian reciprocity treaty has caused considerable comment, but the friends of Hawaii in the Senate say that the omission was due to no other reason than the want of sufficient time. They feel confident that if the point had been reached an amendment similar to that proposed by Senator Davis continuing the treaty in force would have been accepted. They base this assertion upon the manner in which Senator Frye's speech was received and the side remarks made upon the subject. They now express the utmost confidence that the Finance Committee will accept the amendment without caucusing action. Senator Frye's speech was a zealous appeal for the maintenance of the treaty. He said that Pearl harbor was ceded to the United States in exchange for the concession to Hawaiian sugar by this country, and declared that its abrogation at this time would be an act of bad faith.

AFTER TWO YEARS

Conductor John Wheedon Finds
the Button.

Lost It at Memphis and It Is Now
Worn By a Policeman.

Two years have elapsed since Conductor John Wheedon, the handsome Illinois Central ticket puncher, lost his "owl" button. It was perhaps the only button of that pattern in the country, being like most other buttons worn by members of the Owls, except that it was set with diamonds for eyes, and had jewels in several other places. The number was 56, and the jewel owner grieved greatly over its loss, and never expected to see it again, not even knowing the city in which it was lost.

He learned today, however, that it is being worn by a policeman in Memphis, who was presented with it by a newsboy. The boy picked it up on the street, and crossing over to the officer on the other side of the street, and asking if it was not a secret order button, gave it to him.

The button was evidently lost by some one who is now lost it, the newsboy having picked it up more recently.

THE TARIFF BILL.

BICYCLE TRACK.

Raw Cotton Placed on the Dutiable List.

SEVERAL DEMOCRATS SAY YES.

The Amendment Provokes a Spirited Debate.

NO ACTION YET ON NIWAHAN TREATY.

Washington, June 8.—By the decisive vote of 42 to 19 the Senate today adopted an amendment to the tariff bill placing raw cotton, the great product of the South, on the dutiable list, at 20 per cent. ad valorem. It is the first time in the history of tariff legislation that a duty on cotton has been incorporated in a bill. The amendment was proposed by Mr. Bacon (Dem., Ga.) on his individual responsibility, and without the approval of the finance committee, which thus far has been requisite to the success of every amendment except minor one which went through by default.

The amendment led to a spirited debate, Democratic Senators disclosing a wide difference of views, and at times exchanging sharp personal criticisms.

On the final vote six Democrats, Bacon and Clay, of Georgia; McEnery, of Louisiana; McLaurin and Tillman, of South Carolina, and Rawlins, of Utah, voted with the Republicans for the Bacon amendment, while the negative vote was solidly Democratic with one exception, Kyle, Populist.

The debate on cotton took up the most of the day, and but little progress was made on the bill.

In the course of his prayer on the opening of the Senate, the acting chaplain, Rev. Hugh Johnson, intimated a speedy return of contentment and prosperity, and that the condition of the poor and suffering might be ameliorated by the great measures before Congress.

Schedule G, relating to agricultural products and provisions, was then taken up.

Mr. Jones (Ark.) moved to strike out the first five paragraphs relating to live animals, cattle, hogs, horses, mules and sheep, and substitute a provision covering all live animals, at 20 per cent. ad valorem. Rejected 22 to 38.

The paragraphs relating to live animals were then agreed to as reported, that on hogs being amended to "swine."

That Same "Old Tree."

Murray, Ky., June 8.—Mr. B. C. Veale and Miss Fannie McDowell went to Tennessee and were married last Sunday. They were married just over the line under "The Old Tree," where over 1,000 marriage ceremonies have been performed. Mr. Veale is one of the largest tobacco dealers in Western Kentucky.

He was placed aboard the Dick Fowler when she reached Brooklyn and brought to the city, where he received medical attention. Today he is better.

SOTT WAS INNOCENT.
And a Grave Charge Against Him
Was Quashed.

The case against Isaac Scott, colored, charged with stealing some clothing from two bell boys at the Palmer House, was tried in Judge Sanders' court this morning and dismissed.

Scott proved that he bought the clothes from a second hand dealer, but the latter could give no description of the man who sold them to him.

Mr. Jas. G. Grimes has been appointed usher and he respectfully requests persons not to throw lemon peels and bananas in the gutters, as he intends to keep everything clean, and anyone so doing will be warned.

Jas. Cassidy, alias Spencer, alias Stephens, alias Chas. McNabb, the tramp wanted by the government authorities for stealing a barrel of whiskey from a freight depot at Louisville in April, was arrested here yesterday afternoon by Officers Harlan and Wheedon.

Marshal Wilson, of Princeton, as stated in yesterday's SUN, traced the tramp wanted by the government authorities for stealing a barrel of whiskey from a freight depot at Louisville in April, was arrested here yesterday afternoon by Officers Harlan and Wheedon.

Cassidy was arrested in Louisville shortly after the theft, but was released on a bond that developed to be worthless. He fled to Cincinnati, thence to Evansville, and wound up not long since in Princeton, and was an assistant in an undertaker's establishment, coming here Monday while drunk.

Marshal Wilson left on the 8 o'clock train with Cassidy and will merely stop off at Princeton a few minutes. The prisoner did not know the officer knew anything about his being wanted in Louisville, but thought he was to be taken to Princeton for trial.

Tomorrow morning there will be a trial in the circuit court for the offense of breaking and entering.

Today Dowling and Petty will pitch and tomorrow Sulhoff will probably pitch both games for Paducah, while Petty will pitch the last for Nashville.

Tomorrow is ladies' day and the crowd will no doubt be large. Today's crowd is much larger than yesterday.

QUITTE AN INTERESTING CASE.

The morning paper did the Nashville boys a gross injustice in saying they were "on their uppers." There are two cities hot after the club, Decatur, Ill., and Owensboro, Ky., but the league has given Nashville five days in which to put up a bond that they will pull through the season. There are a great many in Nashville who want to keep the club, and it is probable that the requisite steps will be taken to retain it. In case she does not, however, Decatur's chances almost insure her the club.

The boys are in good trim, and while they put up a bad game yesterday, so did Paducah. All the club that was here before is here now, except three. These are Cleve, the catcher, who went over to Detroit for good wages, Dillard, the man with the greatest hitting record, and Morris, who is now with Wilkesburg, Pa., and Brott, who is manager of new

Judge Bishop Has Now Decided It.

But Declines to Tell How—Said That He Decides It Constitutional.

Judge Bishop today decided the much talked of cow ordinance, but declined to divulge his decision, saying that he preferred to wait until next week, when he goes to Benton. While the Judge declines to make public his decision, it is reported, and on seeming good authority, that he decides the cow ordinance is constitutional.

It has been generally believed that this would be the final decision, and should it prove correct, it will result in an enforcement of the ordinance.
